## ABOUT US

Yakim Contractors is a diversified construction and physical commodities trading & supply Company. We are dedicated to providing infrastructure and building solutions for tomorrow's world. In addition, we provide significant commodities that keep the world's wheels of industry turning; machineries running and people's lives thriving.

Yakim Contractors provides a strategic platform for integrated supply sourcing, risk management, shipping & logistics and value added supply solutions for metals & mineral resources, construction works, agricultural commodities and energy resources; effectively helping to bring equilibrium between supply and demand.

We have a storied history and reputation for quality, integrity and service. We pride ourselves on operating with our values at the forefront of every interaction with stakeholders, clients, project teams and our own employees.
